Greywacke, Wild Sauvignon, Marlborough, New Zealand 2010 56.50

This is an alternative of the Sauvignon Blanc that is both intricate and textural. Grapes were lightly pressed and the juice was allowed to undergo spontaneous indigenous yeast fermentation in French oak barriques. A fusion of homemade apricot jam and lime marmalade is layered with dried tarragon and a doughy, flinty complexity. Succulent fruit, pithy citrus rind and minerality on the palate.
